MOVE

 SilentGliss

Move – your smart home hub

Elevate your home with the Silent Gliss Move smart home hub. Effortlessly control motorised shading and connected devices through our app, delivering seamless convenience wherever you are.

Integrate curtains and blinds with lighting and music for a fully connected experience – automated, intuitive, and all managed from one hub.

Download the Move 4.0 app in the app stores.

APP CONTROL

Silent Gliss Move delivers effortless control through an intuitive app. Designed for easy installation and smooth navigation, it enables you to manage shading and connected devices from your phone, tablet, or desktop.

COMPATIBILITY

For those who appreciate the flexibility of both switches and app control, Move works alongside the Silent Gliss Control N range of handsets and wall transmitters.

SECURITY

With Move's two-way communication, you can track and adjust the position and status of your curtains and blinds. Even when you are away from home you can relax knowing you're in complete control.

EFFICIENCY

Enhance your home's energy efficiency with Move. Monitor and adjust shading in real time to prevent overheating in summer and heat loss in winter.

CONVENIENCE

Easily manage multiple shading systems by grouping them within rooms. This convenient feature allows you to streamline control by operating multiple blinds or curtains simultaneously.

SMART HOME HUB

The discreet Move hub is at the core of your smart home.

COMFORT AND AMBIANCE

Set your own scenes. Connect products throughout your home to operate at designated times – enhancing comfort, convenience, and ambiance.
